Excellent Career Opportunity for Registered Architect

OMS is seeking creative and team-oriented individuals to design architecture, work closely with team members and clients, and manage professional responsibility. Applicants should be problem solvers and highly motivated. Mentoring and training will be provided for future Project Achitect roles and responsibilities.

Career Requirements:

- Architectural degree
- Architect's license
- 3 years minimum experience working on Architectural projects

Skill-Set Requirements:

- Proficient in Revit
- Proficient in Adobe Photoshop and/or Illustrator
- Excellent communication and team collaboration skills

We have a history of forward thinking with value-based pricing and quality designs. We challenge our talented team not to follow trends, but to set them! OMS is a recognized leader in the Architectural Industry. Our award-winning expertise is most recently focused on K-12 and High Education, Library, Municipal and Historic Preservation, Commercial Building, and Health Care.

Join the OMS team by applying via email with your resume, cover letter, and portfolio as a PDF file to OMS@omscorp.net. The subject line should read "Registered Architect Applicant".

Applications will be reviewed until the position is filled.
