NOTES:

About Architura Corporation

Architura is an Indianapolis based firm of architects and other design professionals with extensive experience in City, County, State and Federal Government architectural design. Additionally we have historic renovation and restoration design experience. Our design practice is client focused allowing our experienced principal architects to offer hands-on client services in architectural planning and designs. Architura's Partner Principals Michael Conly and Charles Kotterman are licensed in over 30 states and have a combined experience of over 70 years. We compliment our architectural team with a fully experienced professional staff of architects, graduate architects, interior designer as well as other supporting team members.
