Rb Architects is seeking a talented, passionate, and innovative REVIT Expert **(Architect or Interior Designer)** to join our design offices in Indianapolis, Indiana. Rb Architects is committed to employing creative, self-managing professionals who are able to utilize current technologies. Our portfolio includes a broad range of mixed-use, corporate, adaptive re-use, historic preservation, and civic projects throughout Indiana.

Responsibilities

- Work with project managers, consultants, and product reps as part of project teams
- Complete conceptual designs, presentations, design development, construction documents, and specifications
- Develop space planning concepts, program documents, and generate feasibility studies
- Lead the selection of FF&E, color palettes, material presentations and generate specifications
- Develop full Construction Documentation and Construction Specifications integrating Interior and Exterior Architecture
- Assist in building and maintaining Rb's professional and product library

Requirements

- Minimum 2-4 years of relevant drafting and design experience in REVIT Construction Documents
- Advanced design, visual and graphic presentation skills
- Proficiency in the use of presentation software (aka SketchUp, PhotoShop & InDesign)
- Knowledge of furniture, finishes, materials, architectural assemblies, specifications, and building codes

Hourly or Salary compensation between \$35,000 and \$55,000 annually + benefits (determined by current experience).

You can learn more about our growing regional firm - Rb Architects at www.randbarchitects.com and www.facebook.com/randbarchitects/

Applicants should include a resume and electronic work samples (or a link) to career@randbarchitects.com or to our offices at 3202 North Meridian Street, Indianapolis, Indiana 46208 (M-F 8:30am to 5:30pm)
